All members of First African Baptist Church are encouraged to pray for the next 7 days.

Joy my Brothers and Sisters in Christ,

As we journey through this new normal, a prayerful lifestyle is the order of the day. Prayer works, prayer changes things and the Bible declares that we should, “Pray without ceasing” (1st Thessalonians 5:17). Join us for the next seven days as we seek God for total healing of the land, healing of mind, body and soul, guidance, direction and protection. Seven is the number of completion and I am believing that God is going to answer our prayers. The Prayer Conference calls will take place on conference line daily on the following dates and times:
